

SECOND BILLION

Dear Partner,

Billion Soul Greetings!

Our partners in ministry will be in the spotlight more than at any previous time at the *Synergize 2!* Pastors Conference in Orlando, Florida, January 19-21, 2010. We realize that you cannot attend every pastors' gathering, but to show how much we value your participation, we have created savings as great as 40%. We have attracted more than 40,000 pastors from every state, from more than 75 nations and from more than 100 denominations and fellowships to attend these gatherings of eagles.

Our partners have spoken and *we have listened!* By far the greatest comment we have heard is the access to the pastors we have accomplished so that "exhibitors" become true partners and an integral part of our conferences. In the high-tech luxury of the Orlando Peabody Hotel, you will find that your visibility is impressive both in the gorgeous exhibit area just outside the ballroom doors, as well as in the new format for the opening session.

We are grateful once again to have a remarkable lineup of world-class presenters. Early registration projections indicate this historic conference will fill with more than 2,000 pastors. We have made it extraordinarily easy to place your materials and services in front of them.

We will reserve the 40 available booth places and eight sponsorships in the order reservations are made. We will make placements in the order that the full sponsorships are received. Should you have any interest at all in showcasing your organization in front of these top tier pastors, we encourage you to reserve your spot NOW and lock in the lowest rates possible, which will provide you with time to work on logistics. We also encourage you to consider one of the highlighted sponsorships. Simply email Partners@BILLION.tv or call 407-496-0600 to secure the level that meets your objectives. We are here to serve you as we work together to help plant five million new churches for a billion soul harvest in the next ten to fifteen years!

We look forward to hearing from you soon and seeing you in January.

Blessings!
