

SYNERGIZE 2018

PASTORS CONFERENCE / JANUARY 23-25, 2018 / ORLANDO, FLORIDA

Individuals Outside Of The United States & Canada Who Request An Official Invitation For A VISA:

We are delighted to know of your interest in attending the **Synergize 2018** conference, scheduled for **January 23-25, 2018, in Orlando, Florida**. Since we can only provide a limited number of official invitations to foreign nationals for VISA purposes, we have put in place a three-step process that we trust will not be too burdensome:

1. Please ask someone who has oversight of your ministry (such as a denominational official, church superintendent, bishop, or ministry president) to write a letter endorsing your ministry and recommending your attendance at Synergize 2018. The letter needs to include the person's name, position, ministry, address, and email address, as well as your name, position, ministry, address, and email address. The letter can then be attached to an email and sent directly to Synergize@billion.tv. Please specify "Synergize 2018 Recommendation" in the Subject.

EXCEPTION: If you currently serve as a General Overseer, General Superintendent or Bishop, please provide a letter, on your ministry letterhead, describing your leadership role. The letter can then be attached to an email and sent directly to Synergize@billion.tv. Please specify "Synergize 2018 Recommendation" in the Subject.

2. Once we have received this endorsement letter, we will email you to let you know. The next step will be for you to register and pay for your conference registration on the Synergize 2018 website (www.synergize.tv). The website will also give you more details about the speakers, the location, and your hotel options.

3. When your registration has been completed, we will email you an official letter of invitation that you can use for VISA purposes.

Please be sure to allow enough time for the visa process to take place in your country. We regret that we cannot offer sponsorships or provide financial support to cover any of the costs associated with the conference, including registration, travel, hotel, meals, etc. We look forward to seeing you at Synergize 2018!
